To Whom It May Concern:

The Wood Dale School District conducted its annual Change for Change drive last month. The children, families, and staff in our district collected change for several weeks to give to charity. Each class donated to a specific charity of their choice. At Oakbrook School, Ms. Goier's kindergarten class, Ms. Davis' second grade class, Mr. Halverson's second grade class, Mrs. Hirsig's second grade class, Mrs. Oprondek's second grade class, and Mrs. Wagner's second grade class chose Greyhounds Only, Inc. Please find a check enclosed for \$192.58.

Thank you for all that you are doing to help animals in need.

Sincerely,

A handwritten signature in black ink that reads "Allison Williams, L.S.W." The signature is written in a cursive style with a large, looping initial "A".

Allison Williams, L.S.W.

Dear Greyhounds Only,

Let me introduce myself. My name is Joshua Halverson and I am a 2nd grade teacher at Oakbrook School. You may remember that I recently adopted two wonderful greyhounds from you last year during the Dairyland Closing. I adopted two brothers, "Jock" Ewing and "Bobby" (now Beckham) Ewing.

Each classroom at Oakbrook has a classroom mascot. At the beginning of the year my class knew that I was passionate about greyhounds and they named our room Mr. Halverson's Hounds. When it came time to suggest charities for the annual Change for Change drive, it was only natural for my class to suggest a greyhound group. I was so excited that not only my class but also additional classes at Oakbrook chose to donate to this magnificent breed as well.

I know that GO is always happy to receive any donations to help their mission. I wish GO could have seen these little kids (grades K-2) emptying their piggy banks and bringing in bulging pockets just to help save greyhounds. They have become fascinated with the breed.

Everyday in my class I have to give a 2-minute dog report. My class always wants to know what has happened with Jock and Beckham since the day before. Usually I can only report that they are sleeping and hogging the bed! At recess, the kids play "greyhounds" on the playground equipment and our always on the lookout for greyhound books in the library. In short, this school loves greyhounds and all that they stand for.

I hope that you can use this money to help some more hounds find their forever home. I know that many of the parents, staff, and students have become fascinated with this breed since I started teaching here. I try to get the word out as much as I can to help GO.

From the bottom of my heart I want to thank you for giving me my two members of my family, as I am sure Jock and Beckham are thankful as well. Thank you for all that you do!

Onward,

Joshua Halverson

Jock & Beckham too!
